

Tidwell Middle School Beginning Band

Horn Beginner Equipment and Supplies

The following is a list of instruments and accessories that the directors have selected for our students. This instrument is supplied by Northwest ISD. Student & Parents will sign an Instrument Usage Agreement and will be responsible for all repair costs that result from any damage incurred while in the student's care. The district will charge an instrument rental fee of \$100, which must be paid by the first of the new school year.

You will need to buy the supplies through Bells music. They will deliver the instrument & accessories directly to Tidwell Middle School, and the directors will then distribute the instrument to your child during the first week of school.
