

Replacement Assignment for Missing Practice Logs

6th Grade Students Only

This assignment may be utilized once per six weeks.

- Go to www.musictheory.net
- Click on Exercises
- Click on Note Identification
- Click on the Customize tab in the upper right hand corner
- Click the appropriate clef for your instrument (Treble or Bass)
- For the range, set it to two ledger lines above and below the staff
- For key signatures, make sure it is set to no sharps or flats
- Make sure "Letters" is turned off
- Accidentals should be turned off
- Next Question should be set to immediately
- Click outside of the Customize window to start your exercises

You will need to name at least 50 notes and receive a 90% or higher to receive credit for your missed practice log.

Print your page (take a screen shot) when you have finished and turn it in to one of the directors.

To take a screen shot:

- Make sure your Score and Time is visible in the screen- # correct out of # attempts (%)
- Press and hold the "Fn" Key and press "F11" (Prnt Scrn)
- Next open a blank Word document
- Type your name and instrument at the top of the page, then press "Enter"
- Press and hold "Ctrl" and then press "V"
- You should now see your screen shot in your word document
- Now save your document to show you're a band director
